# Attachment to Import Application

A licensee authorised to import pet herpetofauna must, when lodging a report under regulation 12(1)(b) of the *Wildlife Conservation (Reptiles and Amphibians) Regulations 2002*, pay a fee of

\$10 for each category 2 animal;  
\$25 for each category 3 animal;  
\$50 for each category 4 animal; and  
\$100 for each category 5 animal,  
imported under the licence.

Following the arrival of the herpetofauna into W.A. you need to " lodge a report " together with the prescribed fee payment. This must be done within 20 working days of the expiry of the import licence.

" Report lodgement " should detail exactly how many of each species actually came in, date of arrival and confirmation of sender. The fee payment as above should accompany this report which must be written.

The \$30.00 per consignment fee on the import application page (to be paid at the time of applying) is separate to the fees on this page.
